2015 Credit Suisse Peking University Video Competition

Are you passionate about the stock market? Do you like sharing your ideas? Do you love meeting new people? Do you enjoy facilitating meetings and discussions?

Our Equity Sales team is looking for confident, articulate and persuasive students to join our 2016 summer internship program. We want to see what you can do — so make a short video, 3 minutes or less in length, and tell us **Why you are a good fit for Equity Sales.**

Videos should be creative! You can sing. You can dance. You can tell us in a rhyme—It's up to you! But the video must be produced by you, should showcase your personality and convince us that you're the best hire for our Equity Sales team. **The best videos will earn the chance to attend a final interview for our 10-week summer internship program in Hong Kong.**

Finalist videos will be viewed by a panel of judges within our Equity Sales team in Hong Kong. The winner will be notified by **Monday, December 14, 2015.**
